

# OBOLO BILINGUAL EDUCATION CENTRE

AGWUT OBOLO TOWN, ANDONI, R/S  
(UWU IKPA USEM IBA)

**Hurray! Here's good news!**

The Obolo Language and Bible Translation Organisation had opened a school where children will be taught well using **Obolo** language besides **English**.

This school is opened for the training of the **Obolo child (in all subjects)** through the **mother-tongue**, using a **child – centered educational strategy**.

The school also offers excellent teaching of **English language** by teachers who are outstanding in English language.

**\*Enrollment of pupils aged 6 years into primary one for 2014/2015 academic session held at the Centre located in the offices of Obolo Language and Bible Translation Organisation, Agwut Obolo.**

**\*Registration was flagged up in **September, 2014** and will be done before beginning of every new academic session. The office is opened for the registration **10 a.m.** daily. No late entry.**

Parents/Guardians are requested to come together with their children to register.

Parents/Guardians and any interested persons can also contact the Obolo Language and Bible Translation office, Agwut Obolo, or call any of our Numbers below for details.
